CITIZENS' GROUP TO FIGHT WATER PLANT PROPOSAL

Dr. F. C. Smith, Marion Physician, Announces Plans for Attempt to Prevent Council from Consummating Proposed Purchase.

CLAIMS PRICE IS $1,000,000 TOO HIGH

Announcement that he will head a group to be organized into a citizens' committee to oppose the proposed purchase of the Marion Water Co. by the city was made today by Dr Frederick C Smith, Marion physician.

Dr Smith, who has launched a strenuous personal protest against the proposal and the consideration given it by city council, said a group of prominent citizens are now interested in halting any further action of council in regard to the plan

Attacks made by Dr Smith center around the belief that the idea did not originate with city officials, but came fr m sources outsid

To Employ Attorney

The legal aspects of the proposal will be placed under a spotlight by an attorney to be employed by Dr Smith, he said today. Every effort to bring the matter to a public vote unless council abandons the idea will be made Dr Smith stated

Dr Smith is taking his radical stand in the matter because he says that he feels the issue is not one of municipal or private ownership of the water company but a matter of the water company attempting to unload on the city its property at a price he believes is exorbitant he said. He stated that $600,000 would be a top price for the property whereas tentative figures used as a basis for plans for the possible purchase have been roughly set at $1,500,000

City council was censured by Dr Smith for officially declaring its intention to purchase the plant while in caucus session instead of in public meeting where the matter could be closed

The whole thing savors of secrecy and an apparent effort to push something through in a hurry he declared

A majority of city officials have indorsed a plan proposed by a firm of investment bankers looking towards the possible purchase of the water property The plan calls for the issuance of a 100 per cent mortgage to the investment firm on the property and revenue of the plant against which revenue bonds would be issued by the investment bankers Revenue from operation of the plant as a municipal unit is expected to retire these bonds and pay all interest charges

With negotiations yet in their infancy definite action in regard to the proposed purchase is not expected for several months

Vote of city council is all that is necessary to effect the purchase of the water company, in accordance with provisions of article 18 section 12, of the Ohio constitution This section further provides the city may issue mortgage bonds beyond statutory limits on a utility to raise money for its purchase but that the mortgage must be confined to the property and revenue of the utility

It also states a franchise must be written into the mortgage contract on which the investment firm shall operate the plant in case the city is unable to meet payments which would retire the amount of the debt and interest over a period of 25 years

The right of referendum is made available to voters if the council officially consummate such a purchase as the plan of acquisition of the Water Company property

Y. M. C. A. BUILDS CHARACTER AS WELL AS BODIES IN YEARLONG PROGRAM

Here is shown the Central Junior High school Torch club with Harold Carroll leader seated This group one of the Y M C A organizations sponsored by the Community Fund conducts religious social and round table discussion meetings as well as carrying on an active program of athletics It is one of dozens of character building groups of the "Y"

A COMPREHENSIVE character building program was brought home to nearly 2,250 Marion persons last year through efforts of the Young Men's Christian Association one of the ten Community Fund agencies

Group meetings of the finest type stressing the importance of building a character foundation for the future years were held by 42 clubs embracing 870 boys young men and girls

Heart to heart talks by experienced leaders in private interviews pointed out the right paths of life to 1,526 boys and girls, while 77 others were given vocational guidance through career conferences

DR. HARDING URGES STUDY OF CRIMINALS

Would Have State Employ Experts as Advisors to Executive Officials.

By The Associated Press

COLUMBUS O May 14—The employment of state psychiatrists on a non-political basis to study criminals and to act as advisors to wardens the clemency board and the governor were advocated by Dr George T Harding Jr of Columbus in an address today before the annual meeting of the Ohio State Medical association here

Methods of punishment created by normal people for normal people are not adaptable to the abnormal or the insane Dr Harding said All criminals are not abnormal nor are they equally responsible he continued but every man accused of felony should be given a calm thorough mental or psychiatric test The examiner should be a state officer a non-judicial non-political appointee available to the court and the prosecuting attorney

Dr Harding said that a medical man called to court to enlighten a jury should not be bound to answer categorically whether a man is sane or insane Rather he should give the scientific medical view and leave the rest to the law the court and the sociologist he said

Stimson and Adams Defend Navy Pact as Witnesses at Two Hearings

WASHINGTON May 14 — Two cabinet members whose signatures appear on the London naval treaty—Secretaries Stimson and Adams—withstood a broadside of senatorial questioning today and fired back in vigorous counter attack

Stimson appearing for the third successive day before the foreign relations committee in the spacious hearing room in the senate office building was cross-examined by Senator Johnson of California about the records of the London conference He said no regular records were kept except of the public sessions and of the meetings of heads of delegation

In a much smaller room across the street in the capitol itself Chairman Hale of the naval committee asked Adams why certain elements of American naval policy had been changed radically at London

The navy secretary denied that modification of the big cruiser program already authorized by congress represented a hazardous American sacrifice

Stimson and the foreign relations committee hearing proved the drawing card The big room was crowded while in contrast the smaller naval committee room had plenty of vacant seats

ALLEGED WIFE APPEARS

Clandestine Love Affair Disclosed in Life of Supposed Cleveland Bachelor

CLEVELAND May 14 Search for a woman said to have threatened death to Dr Alfred E Scully if he married another woman was begun in Chicago and California today by private investigators retained to find her if the slain physician

At the same time detectives seeking to unravel the mystery of the slaying of the prominent Cleveland doctor planned to question Mrs Eunice Rockwell 42 who has appeared from Florida to claim Dr Scully's estate as his legal wife It was she who told of the other woman investigators said

Story Revealed

Friends of Dr Scully revealed the story of the clandestine love affair in the life of the supposed bachelor after she came here from Florida a few days ago seeking recognition of her 14-year-old son as the offspring of Dr Scully

Mrs. Rockwell who said she used the name at the suggestion of Dr Scully said she had married him at the age of 17 while a student at Baldwin Wallace college Berea near here. The son was born to them a year after she said

Records at Baldwin Wallace college show that Eunice Mitchell (the wife's maiden name) was registered there through 1915 and 1916 and that she left before the end of the next term Her home then was Mt Vernon O

Employs Attorneys

Mrs Rockwell has engaged attorneys to represent her in the impending litigation over Dr Scully's will which left a $15,000 estate to a brother and sister She was given $1,000 by note though a friend at the time of the death it was learned and cancelled checks in Dr Scully's accounts showed he had given her sums of money at various times

DISAGREEMENT ENDS TARIFF CONFERENCE

House and Senate Conferees Deadlocked on Flexible Clause, Debenture.

WASHINGTON May 14 — The tariff conference between the house and senate broke up today with the two branches of congress in disagreement over the repeal of President Hoover's flexible tariff powers and the debenture plan of farm relief which the senate wrote into the pending tariff bill

The senate conferees were to report back to the senate later in the week that they could not compromise the debenture or flexible repeal They hoped to secure the senate's permission to compromise both items

The Democratic tariff leaders meanwhile will meet to determine whether to stage an immediate battle against any compromise or to wait until the compromise is negotiated and then fight its adoption In either event if they command a majority of the senate by blocking adoption of the compromise they will be able to defeat the bill

Fitzhugh announced that in addition to himself, Daniels and Woods 17 Methodist laymen signed the charges

"DEVIL ROPE" WINS

Pow Wows of Indians Fail to Halt Execution of Slayer.

RAWLINS, Wyo, May 14—"Medicine making" by Indians on the Arapahoe reservation failed to drive away the "devil rope" and Charles Aragon, Indian slayer, was hanged at the state penitentiary here today.

Aragon was convicted of the killing of Ed and Jess Large, father and son, in Riverton on Sept 8 1928, because of jealousy over the affections of Nellie Large estranged wife of Jess.

Medicine men of the Arapahoes held several ceremonies of "medicine making" within the tribal council fires in an effort to save Aragon from the "devil rope"

Aragon's execution was on a mechanical gallows by which the condemned man virtually hanged himself.

RANGOON, Burma May 14—Repairs were being hurried here today on the light Moth biplane in which Amy Johnson youthful English aviatrix is attempting a record solo flight from England to Australia

Miss Johnson landed by mistake in a playing field which she mistook for the Rangoon racetrack yesterday afternoon Her machine taxied into a depression and the wings, landing gear and propeller were slightly damaged

She has covered more than two-thirds of the 11,000 mile flight and she was two days ahead of the record set by Bert Hinkler

Her flight here was made from Calcutta over dangerous Indian jungles and the Bay of Bengal.

Roberts Now Virtually Sure of Court Post

WASHINGTON, May 14—Virtually the last chance of any serious opposition being offered to the confirmation of Owen J Roberts as an associate justice of the supreme court faded out today when the American Federation of Labor approved him

It was labor opposition combined with that of negro organizations, that accomplished the defeat of John J Parker for the court

"Such information as we have," said William Green, president of the federation, "leads us to the conclusion that Mr Roberts is eminently fitted to serve as a member of the supreme court

The nomination is now before a sub-committee of the senate judiciary committee, and will be reported out next week for what is expected to be speedy confirmation.

AL CAPONE SPENDS NIGHT IN JAIL CELL

Miami Continues Campaign Against Chicago Gang Leader.

By The Associated Press

MIAMI Fla May 14—"Scarface Al" Capone slept on a jail cot last night, a prisoner for a second time since Miami authorities determined to cut short his stay here by arresting him on sight

Seized while attending a boxing bout, the harrassed gang leader was placed in jail at an hour which his attorneys found to be too late to locate a judge for a habeas corpus hearing

When Capone first was arrested last Thursday on a technical charge of "investigation," Miami police described their tactics as an adoption of the "Chicago plan" of picking up gangsters wherever they are seen on the city's streets In detaining Capone overnight however, they outdid the authors of the scheme for although Chicago police frequently questioned Capone his only jail experience was his 10 months' sentence in Pennsylvania for carrying concealed weapons

Three companions were held with Capone, Nick Circella, 31, and Albert Prignano, 34, were arrested and released with him last week. The fourth man was Sylvester Agoglia, 33, who said he was a Chicago undertaker. Capone had $700 in cash when arrested and his companions carried smaller amounts

Local Dealer Traces Relic Through Many Cities to Next Door Neighbor

THE world is really a small place after all, Miss Olive Gurley 408 South State st., and Dr F A Stengel 142 South State st, fully realize.

There's an interesting history connected with an old melodeon once owned by Miss Gurley, and now in the possession of Dr Stengel. He purchased the old music instrument in New York

This old melodeon was in the old Methodist church on the west corner of State st. and Railroad st., about 1840 According to Miss Gurley, her grandfather, John Gurley purchased the old piece when the congregation decided to buy an organ, and toted it home, slung across his shoulder. As she recalls, from hearing her father speak of it, this was about 1845 that the purchase was made For years Mr Gurley kept it at the home on South Main st., and later moved it to the Gurley home at 402 South State st., now the Bartram home. In 1903 the Gurley family moved to 408 South State st., and for 27 years the old melodeon was put away in the attic of the home

Bought in 1834

Inscribed inside the old instrument is the following. "Bought by Len B Gurley. Sunday, St. Patrick's Day, March 18, 1834" which cannot be accounted for in the history of the melodeon, because Leonard Gurley was born in June of 1845 which would

HORTON SMITH
Just 2 short years ago . . . an unknown kid came from Missouri and wanted "to be shown" this game of golf. Today, at 22, he has almost every championship tucked away in his golf bag *Nature simply made him a winner*
And that's the only answer to the swift success of another champion . OLD GOLD Unknown three years ago . . a headliner of every cigarette counter today . . . the fastest growing cigarette in history.
Nature again! Just naturally BETTER tobaccos. That's what gives OLD GOLD its superior taste appeal, its delightful throat-ease, its freedom from all irritants. When Nature gives her best, to a man or a cigarette, there's a new champion . . and soon.

Five years ago HORTON SMITH didn't own a golf stick he borrowed and played with his father's clubs—TODAY, at 22, he has won so many championship titles that EVEN the SPORTS WRITERS can't remember them ALL

Concert Association's Program Well Received

Three Marion Music Groups Present Cadman's 'Father of Waters' in Masterful Fashion at Ohio Theater, Renditions Win Applause of Audience.

An epochal event in the annals of the city's musical history took place last night when the three outstanding musical organizations combined in the presentation of one of the loveliest of modern compositions Cadman's The Father of Waters

Last night's presentation given by members of the Marion Concert association climaxed a season of entertaining and worth while musical programs given at various times by the three organized music clubs of the city The program was most enjoyable both from a standpoint of story and musical excellence and is a production meriting a repetition ... What the audience lacked in number was made up in the genuine appreciation of the work of the performers and the hearty applause which greeted them at the close of each of the numbers

Presented in Theater

The cantata was presented at the Ohio theater by members of the Lecture Recital club chorus Canto Club male choir and the Marion Civic orchestra under the direction of Ernst ... Carl and C ... Collmer assistant conductor Soloists were Mrs Edith ... Unger soprano of Bucyrus who directed the Lecture Recital club chorus this year John ... Facey tenor and Knox Dunlap baritone The piano accompaniments were played by Miss Melvina Summers

As a prelude to the cantata members of the Civic orchestra the most recently organized musical group played Coronation March from The Prophet by Meyerbeer The orchestra also augmented the piano accompaniments throughout the program

Opening with the descriptive part of the cantata and painting a vast pictorial picture of the source of the Father of Waters by the full chorus the story proceeded into songs of gratitude and lament sung by the Men's chorus

Dunlop Sings History

Historical presentations were sung by Knox Dunlap baritone and John Facey tenor sang the solo parts with chorus numbers by the men's chorus Mrs Unger sang beautifully From the Land of the Sky Blue Water and also sang as a duet with Mr Facey The First White Letters one of the most delightful numbers of the cantata Members of the ensemble were at their best in the beautiful descriptive passage which told of the gathering of the nations of the earth which they sang with masterful effect

DON'T BE A SLAVE TO LAXATIVES

Mrs E Gebbard, 301 W. 5th St., Newport, Ky., says, "My husband and I were actually slaves to laxatives, continually dosing ourselves with something to relieve constipation. Just couldn't stop. It got to be a habit. We even gave our children laxatives in candy form Little did we realize that we were only aggravating and not reaching the cause of the constipation. Headaches, biliousness, indigestion and constipation still continued.

Our druggist recommended Carter's Little Liver Pills. He said these little vegetable pills would tone up the liver, stir up the bile, which, acting as an antiseptic, keeps the food from rotting, and poisoning the blood They are not habit forming and thoroughly cleanse the upper and lower bowel Laxatives fail to do this" Carter's Little Liver Pills are sold at all Druggists in 25c red paper pkgs.

MANY WITNESS LOCAL PARADE

Serv-U-Wel Grocers of Marion Observe Second Anniversary of Organization

Marion turned out en masse last night for the second anniversary parade of local Serv-U-Wel grocers.

There were approximately 75 trucks representing wholesale and retail grocery firms and merchants who wholesale grocery products and three attractive floats in the parade. The Isaly Dairy Co. turned out one of its trucks decorated with a large ... product ca... of its butter cartons on each corner of which were large milk bottles electrically lighted. Harris ... Andrews fruit dealer entered his truck piled high with tastefully arranged baskets of fruit.

The Buckeye Towel & Linen Supply Co. turned out a float almost entirely in white filled with young women and children, all in spotless white.

Thousands of samples of products handled by Serv-U-Wel grocers were thrown along the line of the parade ... lets entitling the holders to paper bags of groceries also were tossed into the crowd.

Officials of the Serv-U-Wel group said this morning that 77 per cent of these bags were given to adults and 25 per cent went to children. All but two of the 170 bags were distributed.

Band music was furnished by the Prospect Boys band, the Marion local of the American Federation of Musicians, Buckeye Aerie No. 317 F. O. E. and the I. O. O. F. Band.

Thousands of samples of candy, cereals, cookies, tobacco, tea, frozen ice cream and favors for the children were thrown from the trucks.

After the parade there were approximately 250 men and boys of the Serv-U-Wel stores and out of town guests entertained with a lunch and smoker at the Bradley Grocery Co., North State st. The Prospect Boys band furnished music for the party.

After 20 years of experimenting a Massachusetts florist has developed a plant that produces potatoes on its roots and tomatoes on its stalks at the same time.

Plans were made for a guest party June 10 at the home of Mrs. S. C. Long.

BULLETS HALT CONVICT DASH

Four in Solitary Confinement After Escape Attempt in Mansfield

MANSFIELD, May 14 — Four long-term Ohio state penitentiary prisoners, part of a truckload of 57 convicts who were being transferred to the Ohio state reformatory here, are in solitary confinement at the reformatory today as the result of their daring attempt at escape in uptown Mansfield yesterday afternoon when a number of shots were fired.

Picking the locks on the handcuffs which had fastened them together the four, including the somewhat notorious Fred Kell ... alleged leader in the famous Junction City brick plant delivery, jumped from the truck and made a short lived dash for freedom.

Penitentiary guards and national guardsmen fired at the fleeing prisoners but they could not hold their bullets in check because of the unusually heavy crowd of uptown streets which had been attracted there by a circus.

The guards gave chase and the men were rounded up in a few minutes. One had run into a blind alley and trapped himself. A second jumped through the window of the First Methodist Episcopal church and was captured inside. The other two failed in their foot race with guardsmen.

The prisoners were part of a consignment from the Ohio state penitentiary where overcrowded conditions following the Easter Monday night fire in which 320 convicts perished forced the transfer.

12 STUDENTS GET DIPLOMAS

W. E. Binkley, Ohio Northern Professor, Is Speaker at Pleasant Commencement.

W. E. Binkley, professor of economics and political economy at Ohio Northern university, gave the class address at the commencement exercises last night at Pleasant township high school. He chose for his subject "The Public Schools which he cited as the chief community enterprise and interest." A class of 12 students was presented diplomas by Superintendent P. A. Moor at the close of the exercises.

Sterling Somerlot, president of the class, delivered the salutatory address and Harold Green gave an oration "Extra Curricula Activities." A real ... Commencement was given by Miss Hattie Miller and the valedictory was delivered by Miss Helen Klingel. Music for the exercises was furnished by members of the high school quartet composed of Miss Mary Cooper, Miss Martha Mautz, Charles Robinson and Robert Zieg. Piano accompaniments were played by Miss Dorothy Prigge, music supervisor of the school. County Superintendent ... B. Rayburn was a guest at the exercises and gave a short talk at the close of the program. The invocation was spoken by the Rev. L. L. Hoot... man.

School will close Friday with a program of field sports and a community picnic at the noon hour. A ball game will be a feature of the afternoon and grade cards will be distributed. The commencement exercises for the eighth grade pupils will be held Thursday night at the school building.

DRIVE ON RUM SUGAR LIKELY

Vigorous Attack on Bootleg Supply Source Forecast in Akron Arrests.

AKRON, May 14—A vigorous offensive against Ohio corn sugar rings that supply the bootleg industry was expected to be launched by federal authorities today following the arrest yesterday of 12 men and the seizure of 90 tons of corn sugar in a raid on the Isaar Sugar Co. warehouse.

The raid and its resultant arrests were the first conducted in this district under the recent decision of the United States supreme court branding the sale of supplies for the manufacture of illicit liquor as unlawful.

Success of convictions in this case would, it was believed, start a landslide of similar raids and arrests.

Among those arrested in yesterday's raid which was conducted by Deputy Prohibition Administrator John J. Wright, was Leo Isaar, 30, self styled "sugar king" and owner of the warehouse. The others arrested were employes of Isaar.

Arraigned before U. S. Commissioner Martin J. Menaben following their arrest the 12 pleaded not guilty and were released on bonds ranging from $2,000 to $5,000 pending a hearing May 27.

Isaar, for whom bond was set at $5,000, declared after he had arranged bond for himself and his employes that he would go right on selling sugar. His attorney said that he could not see why his client didn't have as much right as any other dealer to sell sugar.

BARRED FROM BALLOTS

By the Associated Press

COLUMBUS, O., May 14—The 1930 election ballots will bar the Socialist, Prohibition, Socialist Labor and Communist Workers parties because of the new ruling of the attorney general that a party must present on its petition names totaling at least 15 per cent of the total vote cast for governor in the last preceding election.

U. S. GIRLS TO MEET ROYALTY

Eight from America To Be Received by British Rulers Tonight.

By The Associated Press

LONDON, May 14—Eight American debutantes will achieve one of ... ambitions tonight with presentation to King George and Queen Mary in the first royal court of the year at Buckingham palace.

Mrs. Charles G. Dawes, wife of the ambassador, will make the presentations. The girls in court dress will curtsey their acknowledgement of the royal favor.

For the first time in two years King George will be present.

Last year the Prince of Wales stood by the side of his mother Queen Mary during the ceremony. Eight hundred British and foreign guests will be present.

Twenty five American women were picked from 300 applicants for presentation during the season's five courts. At the second court tomorrow night two girls and six married women will be presented.

Most of those introduced tonight will wear white but the older women to be introduced later in most cases have chosen colors. There will be more small old fashioned bouquets and fewer feather fans this year than heretofore.

Among the guests tonight will be the Russian ambassador M. Sokolnikoff and Mme. Sokolnikoff. They will wear the conventional court dress and knee breeches. Ambassador Dawes will adhere to his ordinary American evening suit.

The eight American girls are: Miss Katherine K. Lod of New York, Miss Charlotte Dorrance of Radnor, Pa., Miss Elizabeth Kent of Philadelphia, Miss Griselda A. Forbes of Boston, Miss Eleanor Edwards of Cincinnati, Miss Frances Hutchinson of Philadelphia, Miss Eunice Bennett of New York and Miss Isabel B. Henry of Philadelphia.

FLIER HOUR BEHIND LINDBERGH RECORD

Turner Says Bad Weather Handicaps Him in Flight Across U. S.

NEW YORK, May 14—Captain Roscoe Turner was undecided today whether he would again attempt to set a new transcontinental airplane record. An announcement on his decision was expected later today.

Captain Turner arrived here last night from Los Angeles nearly an hour behind the record coast to coast flight of 14 hours 23 minutes and 27 seconds of Col. Charles A. Lindbergh. He was out of gas when he reached Curtiss Wright Airport at Valley Stream, Long Island and his plane went into a ground loop but the flier as well as his lion cub mascot escaped injury.

The aviator said he encountered bad weather in the midwest and New Mexico and strong head winds interfered with his race against time.

Turner followed the tactics of Lindbergh and flew at great height maintaining an average altitude of about 12,000 feet.

ROHE AFTER SENATE POST

Tiffin Newspaperman Will Seek Reelection to State General Assembly.

State Senator Robert I. Rohe of Tiffin today filed his petition as a candidate to succeed himself as state senator in the thirteenth-thirty-third senatorial district, according to word received here.

The petition bearing signatures from all counties in the district was filed with the board of elections in Seneca county in accordance with the requirement that such petitions be filed in the most populous county in the district.

Two years ago Senator Rohe was elected to the senate by the largest majority ever given a senatorial candidate in the district. He carried the district by a majority of 19,000 votes and his own county Seneca by a majority of 5,355 votes. He established a record as a Republican candidate in carrying every one of the seven counties in the district.

The district is made up of Wyandot, Crawford, Marion, Hardin, Logan, Union and Seneca counties. Senator Rohe is a Tiffin newspaper man. For the last 10 years he has been business manager of the Tiffin Tribune.

Attorney W. N. Harder of Marion is also seeking a post in the senate from this district. Two senators from this district are to be elected at the November elections. A number of other persons from the district have announced their intention of seeking their party nominations. Both Rohe and Harder are Republicans.

was carried on during winter months with F. O. Rudolph as instructor. Eight separate gym classes for men and boys, two for girls and women including swimming classes for each were held. More than 350 persons learned to swim and life saving instruction was given to 45.

Basketball and recreational baseball furnished a full program for both men and youthful members of the association. In the Sunday school league 106 persons in 20 teams participated in basketball games while the county tournament gave action to 240 other players.

34 Teams Play

Recreational ball is being played by 34 teams embracing 510 players in addition to young boys teams which include 75 players.

The community wide activity of the Y. M. C. A. is proven in the fact that half the persons reached by its work are not paid members of the association.

Extension work which has been developed in various sections of the city is one of the features of Y. M. C. A. according to L. N. Hale, secretary, who pointed out that fully half the work of the association is done outside the building.

Extension athletic work has been inaugurated for the benefit of underprivileged boys in two Marion schools in the last year and a similar program will be carried out and expanded next year.

Improved and efficient methods of operation are enabling the Y. M. C. A. to operate comfortably within its budget which is no larger than ... years of former ... drives although the work of the association has been steadily expanded.

The educational, religious and Bible study phases of Y. M. C. A. were given much attention in 85 group meetings. Model social gatherings were held in 118 parties and dinners in which 4,107 participated.

Others Use Building

The Y. M. C. A. cooperated with various organizations who used the building and equipment in various meetings and athletic events. Among these organizations are the Boy Scouts, Girl Scouts, Farm Bureau, Women's clubs, Pomona Grange, Red Cross, churches and schools of the city and county. The Y. M. C. A. building is open 14 hours daily except Sundays.

Last year this organization expended $23,932 in a 12 month program of activities. Their budget for the next 12 months which is included in the $72,993 objective of the Community Fund campaign is $22,300.

MELODEON LEADS BUYER IN CHASE

Dr. Stengel Finds Instrument Bought in New York Came from Neighbor.

Continued from Page One

have made him nine years old at the time of the purchase.

Miss Gurley is certain that her grandfather bought this miniature piece. Her father learned to play tunes on it when he was a youngster.

Miss Gurley recalls that her grandfather was said to have paid $10 for the church melodeon when he bought ... Not long ago she sold it to a Bucyrus man for $2... The Bucyrus man sold it to an antique dealer of Mansfield who in turn sold it to a man in New York.

Dr. Stengel bought the instrument from the New York dealer and was anxious to know something of its history. The man told him where he had purchased it and Dr. Stengel, who is undoubtedly Marion's most interested collector of antiques, wrote to Mansfield. The dealer there wrote in reply that he had purchased the melodeon in Bucyrus and the doctor drove to Bucyrus to talk to the man there.

Long Search

Imagine his feeling, not quite of chagrin, partly of surprise and all of interest, to find after searching in Marion that the old melodeon had belonged to Miss Gurley, at one time a neighbor of the doctor's.

Dr. Stengel is going to clean up the instrument, put it in condition for playing and make it an antique of value. It is without price to him and not for sale. It is a four octave instrument of beautiful rosewood.

Members of Epworth M. E. church whose relatives were among the founders of the denomination in Marion will be interested in knowing what became of the old melodeon that first sounded sweet notes for the church hymns.

Mrs. O'Hara was the daughter of Timothy and Ellen Fahey, one of the early families in the history of Marion. She was born Sept. 22, 1858 in Marion.

Mrs. O'Hara had been ill at her home more than a year. Her death was due to arthritis and heart ...

For years while Mr. O'Hara was with the railroad company she lived in Springfield, Mo., and returned to Marion a year after his death in November 1911.

One sister, Mother Irenaes of Sisters of Charity of Saint Joseph ... survives Mrs. O'Hara together with a large number of nieces and nephews. Mrs. O'Hara was a member of St. Mary's Catholic church.

Tentative funeral arrangements are for Saturday morning. Services will be held at St. Mary's Catholic church with the Rev. Father William J. ... officiating. Interment will be made in St. Mary's cemetery.

You Don't See Well

And you wonder why. Well just wondering is something. Many don't even do that. But it will not help much. Reason further—your unsatisfactory vision has a cause. Further still—the cause must be removed. THEN you are on the way to be helped if you are wise. Supplying better vision for worse is a duty we consider very much worth while.

TWO MARION MEN HONORED AT O. W. U.

Joe Rinnert Named Honorary Fraternity Head; Geo. Stafford Chosen by Players.

Two Marion men have been honored by Ohio Wesleyan university.

Joe Rinnert, 231 Reed av., has been elected president of Onferon Delta Kappa, senior honorary fraternity, and George Stafford, 354 Hane av., have been elected to associate membership in the Wesleyan Players.

Rinnert will serve as president of the honorary fraternity during the coming year. The honor is one of the highest which Ohio Wesleyan upperclassmen can confer on one of their fellows.

Rinnert was recently chosen as interfraternity social chairman for the coming year and has been reelected vice president of his fraternity, Phi Kappa Delta, after having served one year in that capacity.

Two junior students at Wesleyan were elected members of the Wesleyan Players to which Stafford was elected an associate member. Membership in the Players is open only to students who have appeared in a certain number of campus dramatic productions to meet the requirements of the organization.

"MODERNS" WARNED

By The Associated Press

COLUMBUS, May 14—Moderns are laying themselves open to physical disturbances that shorten their lives by their rush and bustle and stress from emotional conflict, according to Dr. L. A. Levison, of Toledo, attending the Ohio State Medical association meeting here. Living too fast causes general nervousness, irregular heart action and digestive disorders, the doctor told the delegates.

THE 4-way cold KELVINATOR gives these Extra Services!

- *Automatic Super-Fast Freezing*—Iso-Thermic Tubes, an exclusive Kelvinator discovery, provide for the first time amazingly fast *automatic* freezing of ice cubes and desserts.
- *Cold Storage Compartment*—In de luxe models, a temperature *always below freezing* for storing fresh or frozen meats, fish, game and those new frozen delicacies you now find at many markets.
- *Greatest Ice Capacity*—De luxe models provide more ice, *size for size*, than any other refrigerator. A single freezing gives from 20 pounds in the smallest size to 34 pounds in the largest size.
- *Kelvin Cooler*—An accessory, useful in *two ways*: First, to freshen vegetables and keep them fresh; and second, as a water cooler. All-porcelain, inside and out, and fitted with faucet.

In the same sense that the self-starter, electric lights and four-wheel brakes multiplied the service afforded by the motor car—so Kelvinator's extra features multiply the service given by electric refrigeration in the home. These extra services are highly desirable. No one would want to try to get along without them. Once you fully realize the merit of these *extra* services, you will prefer Kelvinator's 4-Way Cold and multiple services in home refrigeration.

There is

a world of power in the words

"I will"

AND——

a world of weakness in the words "I CAN'T."

MANY OF US are too prone to use the latter as justification for failure to save.

SO IT IS NOT amiss at this time to call attention to the struggles of those who made "Independence Day" possible, and to put the question— Suppose the Fathers of our country had said, "I Can't?"

THE ANSWER is obvious—the alternative clear.

CHAPTER 7

Thirty Five Cents

PARADOS was so detested that no ... not even Mrs Parados was ... grief

How long have you known about ... Mrs Parados demanded

Since four minutes of seven when I ... him madame Flique said ... now 9 30

Mrs Parados retorted furiously To keep from me knowledge of my husband's death—you inveigle us into your ... game—"

Madame Flique interrupted I ... everything. My game ... me many things. But here are the police

Three men strode into the room A thin wiry man was in the lead The second man was short and stocky The third a tall elderly man ... was a doctor

What's happened? the wiry man demanded I'm Frank Samuels, a deputy district attorney

Ask M Flique" Mrs. Parados replied angrily. He sent the message

Flique! Samuel ejaculated Are you—

The principal agent of la Surete of Paris the little man bowed

Where's the body?

Come with me M le Deputy

Flique pressed down the hall The key rattled as he thrust it into the lock A light switch clicked

He's dead—the master— Manning was hysterical

Keep those women back Kirk Samuels muttered

Parados lay in front of the patio window which was closed as Flique had said The fingers of his right hand and the toes of his shoes were dug into the carpet. His left hand was clenched against his chest

Annersley Johns, and I pushed in Kirk let Mr Parados enter—but the others he swept back

Stay there Kirk commanded Don't leave the house none of you

Mrs Parados looked at her husband with hard expressionless eyes

So this is the end of you Dan she said quietly And we turned it into a game

The doctor was holding up the left hand of the dead man A common price ticket with a cotton string dangled from it I didn't think we actually would find the price ticket

Flique ... game Samuels removed the ticket and ... figures on it

... Samuels mut...

"A small ... to ... " Flique murmured

Yes Samuels said ... We ... They make ... You found him?

Yes monsieur

The body ... been ...?

To ... myself he was dead

What time did you find him?

A ... four minutes of seven

Samuels grunted "Any idea how long he had been dead

Perhaps 20 minutes M Hunt left him at half past six Is that so, M l'Antiquaire?

I nodded

Between 6 30 and 6 56 Samuels muttered That pins it down pretty close Have you looked at the windows, Kirk?

The west window is bolted Kirk answered. This window indicating the one by the writing ... and the one ... pointing to the patio window ... both latched ... but neither is bolted That door there is locked and he nodded toward the billiard room door There's no key How about the phone ma'am he asked Mrs. Parados

It is part of the house system We are not connected with the mainland "

Samuels turned sharply towards Flique

What brought you here at four minutes of seven

The housekeeper informed me that monsieur desired my presence. First I dressed for dinner The door of the library was unlocked I entered Monsieur lay as you found him

And you came out by the same door"

No monsieur I locked it, out but I—um—emerged by the billiard room

Why

Flique shrugged his plump shoulders What does one look for when a murder has been committed I went to see if the Brent collection was—as you say—intact And it was

You found nothing—material here?

The price ticket monsieur Nothing else

Flique dropped his eyes to a dark stain on the carpet Samuels touched the stain

Well that's not much

Samuels now drew his arrogant eyes over the group

A shot was fired in this room or from just outside it Any of you hear anything that sounded like a shot?

There was no reply

If any of you know anything you'd better spill it Samuels continued

I heard no shot, I said

Nor I Mrs Parados told him

The rest were equally positive in their denials

Does monsieur believe we are in secrecy Flique murmured One or two perhaps but not six or eight. Come my friend you are a man of intelligence—

"Intelligent enough to believe no more than I can prove Samuels grunted

Parbleu but to assume that only the solid and seen are real that, mon ami is the grave error You do not believe these people are in the conspiracy?

Not exactly Samuels said dryly A silencer may have been used

Could he have been killed with a rifle Annersley asked suddenly

Flique said the patio window was shut Samuels replied

I suppose a pistol couldn't have been used with any degree of accuracy outside of hearing range

"No Samuels grunted He must have grabbed that price tag from the person who shot him How about the bullet Doc

"Against the left scapula the doctor answered casually I imagine I can get it

Do you mind Mrs Parados Samuels queried

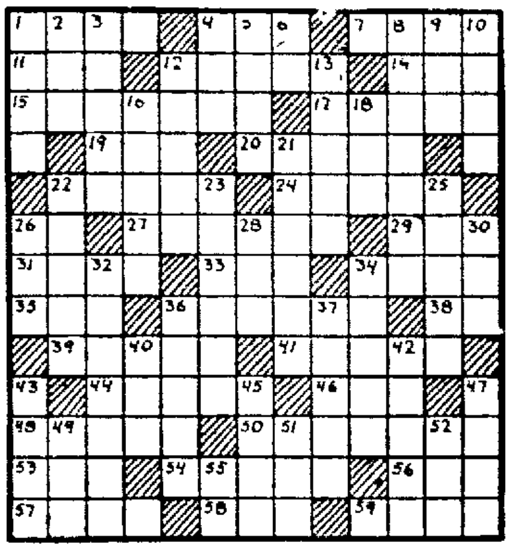

When a man's dead he's dead Mrs Parados answered

Love's Reawakening

A Wife's Triumph Over Jealousy

BY ADELE GARRISON

Marion Confides to Madge

TO my surprise— and joy—Marion did not hesitate at all in her answer to my query as to what Charles Owen had said in persuading her to leave school with his aide without her mother's knowledge and a day in advance of her schedule

You see it was this way Marion began The girls without demerits could get off today those with one get off tomorrow and those with more have to wait till the regular day of school breaking up Carolyn and I each had one and we weren't sure whether we could work them off or not So as the other two girls had two that they couldn't work off and couldn't leave till tomorrow anyway we just wrote ... that tomorrow was the day we would leave

And then we found day before yesterday that we had worked ours off and could leave today if our parents knew about it But it was so late and we were afraid it would upset all the plans so as the other girls had to wait anyway we just sat tight But then this morning Uncle Charlie drove up—

Just a minute Marion I interrupted If I were in your place I would not call Mr Owen Uncle Charlie' I am sure your mother would not like it

Why What's the matter with— She checked herself with evil ... recollection of the issue which hung upon her mother's mood

All right she said docilely I wont—— But I chose to answer her unfinished question

I'm going to tell you what's the matter Marion I said slowly but I want your promise that you will not speak of it to anyone not even to your mother She does not realize that you are growing up and she still wants to shield you as she would a little child Do you understand me and can you keep your own counsel

Of course I can she said

Then I began choosing my words carefully for I did not wish to ... too scathing a denunciation of Charles Owen—the time was not ripe for that— I want you to know that your mother—does not like Mr Owen W... know something about his life which makes us feel that he is not quite the proper person to trust you with for any journey or excursion even if he is Carolyn's uncle"

Then did Marion astonish me She ... over to the seat opposite me and leaned forward with shining eyes

Do you mean she said that he's ... a bootlegger or a gangster or a Raffles? How perfectly thrilling

Nothing so interesting I'm afraid Marion I answered making my ... as ... as possible I can't tell you now but you'll know some ... just what it is that we've found out about him but won't you trust me when I tell you that I am sure when you do know it you will be glad you avoided him as much as possible

Of course I believe you Auntie Madge she answered quickly But her voice was puzzled now how am I am going to manage it? He's Carolyn's uncle you know and he's been down to the school a lot to see her since he came back from his trip

I made the mental comment that this was the first time we had heard this news from Marion She had not mentioned it in her letters

The same thing may happen again that did this morning ' she went on He drove up in his car and asked to see Carolyn Then he told us about Ronald's coming and asked us if we could drive home with him He had a note to Mrs Barnes from Carolyn's mother and in it she said she hoped I could come with Carolyn if convenient Of course, Carolyn and I were wild to come home with him, but Mrs Barnes thought a long while before she said 'Yes' about me Oh, ... Madge you don't suppose mother will ... Mrs. Barnes was ... I just couldn't stand that

Jubilee's Pardner

A Story of Boyhood Adventure

BY JUDD M LEWIS

WEDNESDAY is the middle of the week and the middle day of the school week and there are only two more days of school each week after Wednesday and I would not care if there weren't any

I got up this morning and let Jubilee down by his rope and got on my britches and stockings and everything and went down, and the bunch got there pretty soon all but Peanuts and Johnny Griswold who have got cows of their own to milk and are always later getting around to my barn

Nibs said that his head is still ringing from the smack Mealy gave him when he poured the water on her yesterday and Feeble said if his head rings it is the sign it is empty, then Younse told him to never mind because if it rings it is a sign that it isn't cracked

Younse always finds some nice thing to say to keep people feeling good But Feeble looked ... and said she would rather have a cracked head than an empty one and he said he supposed she would but she would have to get along with what she had got so then we all gave her the laugh and she looked at Nibs as superior as if he had hatched an egg

My mother has got some roses almost ready to bloom and there is a lot of tame violets along the edge of the beds, the flower beds and there are some tulips in bloom and lilacs are nearly all gone so it must be that summer is here My mother called us over to the grapevine and showed us ... on the tender end of each branch there were a lot of bugs and ... further on the stem there was an ant so none of the little bugs could get away without passing him and she said the little bugs are the things the ants use for cows and the ants watch them and milk them every day We were all surprised but we found a lot of other places covered with bugs and with an ant watching each bunch I guess I would rather be a boy than an ant Two cows are enough for me

I caught a bee just to show that I could and then I was going to let it go coming home from school but Feeble pulled a long hair out of Younse's head and tied one end to the bee while I held it and when we got to my house we snuck into my aunt's room and tied it in the inside of her hat and just before supper my aunt said she was going to the drugstore to get some powder and she pulled on her hat and had got to the steps before the bee ... She certainly yelped I thought she was going to turn a handspring Then when she got her hat off she hollered to me to get the bee out of it So I did Hair and all That was pretty smooth

Feeble told her the bee thought she was a honeysuckle but my aunt didn't cheer up so much

Mt. Gilead Weekly Paper Is Sold to Ohio Group

By The Associated Press

MT GILEAD, May 14—The Union Register, weekly Democratic paper here, has been sold to Ohio News, Inc., its publishers announced today.

The paper has been published since 1868 by W. G Beebe and his son, Carl V. Beebe. It has been the official Democratic organ of Morrow county since it was founded in 1848 by John Dumble.

Summer sun and dusty winds—what mischief they work with your skin! Yet even at this trying season, you can keep your skin soft and smooth by applying Plough's Vanishing Cream before your powder and rouge.

Smoothed over the face and neck, this snowy-white cream vanishes instantly, leaving a thin film of protection against the coarsening effects of sun, wind and weather. It banishes shiny nose and the need for constant repowdering and keeps your skin fine-textured and youthfully fair.

Plough's Vanishing Cream is attractively packaged in two sizes and *sensibly* priced at 30c and 50c. Try it!

The 50c size contains twice the quantity of the 30c size. Plough's VANISHING CREAM Regular users appreciate the saving and buy the larger size.

BAPTISTS UPSET CALVARY NINE 10-

JUNIORS PLAY POOR BALL TO LOSE 5-3

Epworth No. 1 Plays Nine Innings To Win; Smart Seniors in Easy Victory.

TRINITY Baptists sprung the surprise of the first round of games in the Sunday School league No. 1 by walloping the aspiring Calvary nine 10 to 2. Calvary, who is claiming to have the strongest team in the history of her competition, floundered around through the whole game like a fish out of water while Trinity battled her to a standstill and dealt her a one sided beating. All went well until the third inning as neither team had been able to touch all the bases once before that time. In the third Trinity unlimbered the big bats and proceeded to clout two doubles, a triple and a single which combined with one walk gave the winners a four run lead. Calvary apparently had enough for awhile and held the Baptists scoreless during the fourth although one man got to third before the last man flied out. In the fifth Trinity again bristled into action and banged the ball out for several hits. Combined with errors on the part of Calvary it gave her five more counters.

Calvary made its only markers in the sixth and seventh, scoring one run in each. One of these was a home run by Gibson, Calvary's left fielder. Applegett for Trinity and Gruber for Calvary did the hurling.

A Terrible Game

Epworth Juniors played enough rotten baseball for an entire season and were soundly beaten by the St. Mary's team 5 to 3. They did everything that a good baseball club shouldn't have done and practically handed the game to the winners on a silver platter. St. Mary's collected two runs in the second on some bad ball handling by the losers to start the atrocity. The Juniors tightened then until the fifth when Sheehee crashed one clear over the outfielders heads to score a homer with no one on base.

The Juniors gathered in one run in the third and were trailing 3 to 1 when they came to bat in the last of the fifth. With one man on, Bill [illegible] banged out a terrible hit for a homer over the center fielder's head to tie the score. Cline took the box for the Juniors shortly after this in an effort to check the St. Mary's sluggers and with some support would probably have done so. But when the pitcher worked the battery didn't and when the battery worked the fielders seemed to have sleeping sickness. Anyway St. Mary's scored twice again to win 5 and 3. Vanderhoff and Cline for the Juniors and Sheehee for the winners did the mound work.

Strikes Out 15

Bob Gamble did three-fourths of the work for the Epworth No. 1 team by striking out 15 batters of the Lutherans while the No. 1's gathered a run in the third and another in the ninth to win 2 to 1. This is the first extra inning game to be played in the league this year. Two hits in the fourth brought a lone tally to Lutheran to tie the score at one apiece. Both teams played good ball after that, excellent support on the part of the Lutherans keeping the Methodists from scoring. Gamble was so effective that the Methodist fielders didn't have much to bother about. It was in most cases just a mere swing three times and you're out for the Lutherans. Two hits in the ninth decided the game when the Methodists brought in one run to break up the ball game and win 2 to 1.

Four Hits Enough

Epworth church made it two out of three when the Smart Seniors proved too clever for the Christians and walloped them 6 to 1. Christian played with but seven men in their lineup for some reason which probably accounts for some of the runs although it is probable the Seniors would have been the winners even with a full team opposing them. Christian's one tally came in the third inning on a triple and a sacrifice single by Gillis and Bank.

The Seniors collected two runs in the fourth, three in the sixth and one in the seventh although they got but four hits according to the man who marked the hits and runs in the official storebook. Bank pitched for the losers and Corwin for the Seniors.

National League Race Promises To Be Close Battl

ENGLISH NOBLEMAN ARRIVES AT SCENE OF CLASSIC TODAY

Earl of Derby Will Present Gold Plate to Winner of Kentucky Race.

By The Associated Press

LOUISVILLE, Ky., May 14—Non-professional interest in the Kentucky Derby centered today at Lexington, 80 miles east of here, where residents of the Blue Grass section awaited arrival of the Earl of Derby who will inspect famed thoroughbred nurseries there before coming to Churchill Downs where he will present the gold plate to the owner of the winner of Kentucky's great race Saturday.

The Earl will spend two days at Elmendorf Farm, the famous show place of Joseph E. Widener, New York, his host while he is in America. The English nobleman left Washington yesterday in Mr. Widener's private railroad car and was expected to arrive in Lexington this morning.

A special presidential suite has been arranged at the Seelbach hotel here for the use of Mrs. Woodrow Wilson, widow of the former president, who will attend the derby as the guest of Jouett Shouse, chairman of the National Executive committee of the Democratic party and Mrs. Shouse. John F. Curry, leader of Tammany Hall and other New York Democratic leaders are already in Louisville getting a line on the various Derby candidates. Mr. Curry is convinced that Gallant Fox, winner of the Preakness at Pimlico last week, will capture the Kentucky classic as well.

Professional interest in the derby concerned itself today with the result of the Derby trial yesterday in which Uncle Luther splashed his way in ahead of a field of six other Derby eligibles in a mile dash. Uncle Luther, owned by Luther Stivers, Lexington, paid better than five to one in the mutuels and placed himself in the forefront of the Derby candidates especially if Saturday should be a rainy day. The Derby trial yesterday was run in the mud.

BLUES BEAT TRIBE; BUCKS RAINED OUT

Milwaukee Loses Close Battle to Louisville 3-2, Mud Hens Win 7 to 4.

By The Associated Press

COLUMBUS, May 14—The heavy hitting which has been going on in the American Association today had showed no outward signs of letup.

The Kansas City Blues hammered Mike Cvengros for 13 hits and the Blues defeated Indianapolis 8 to 4. Another Indianapolis pitcher also gave up the fight in the sixth.

Columbus and Minneapolis will try to get out on the diamond again today after being kept off two days in succession by rain and wet grounds.

Toledo won from St. Paul by 7 to 4, coming from behind to accomplish it. The hitting was heavy and neither starting pitcher survived. Toledo collected fifteen hits and St. Paul 9.

There was one close game—that between Milwaukee and Louisville, which Louisville won by a nose 3 to 2. A wild pitch allowed the winning run to come across.

ON THE INSIDE

With

— Bob Kirkpatrick —

THE opening games of the first round in the two Sunday school leagues has brought an inkling of what may happen in any of the games played this year. The first partial upset came when the St. [illegible] nine so decisively. Not that they were not expected to win but no one thought they would make a runaway of it. Then along came Trinity Baptists and completed the picture by soundly beating the Calvary nine. Whoever says they thought the Baptists had more than an outside chance to even coming close to the Calvary team is either a supreme optimist or crazy. On form Trinity isn't even close. What won for them we don't know. We didn't see the game. We have a slight hunch though that it may have been the fact that they scored the most runs. The score book gives them credit for eight more than the [illegible].

* * *

After worrying along all season scarcely enough men turning out to practice, Trinity comes through and wallops the team who is claiming to have one of the best outfits in the circuit. On the other hand Epworth Juniors flash through the preseason period winning something like six out of eight games and threatening to do things in a big way. Now that the first games are played Trinity is listed among the four leaders for at least one week and Epworth is in the lower division with exactly no wins to her credit. In fact she has nothing to her credit. The game played by the Juniors last night was not good enough to even rate a discussion. They did everything a supposedly good ball club shouldn't do. About the only thing good that can be said about them was the smash that brought in two runs. Bill Roush got that and deserved it. Clark Cline hurled fairly good ball for no practice but the support was rotten. They deserved to lose and the St. Mary's team deserved equally as much to win. They played good ball. They got some breaks but they had em coming to them.

* * *

SOMEONE in the city is doing some clouting if statistics mean anything. In the first four games of No. 2 league there were 11 doubles, four triples and four home runs scored. In all there were 51 runs marked up. The totals for last night's games are not known yet but it is probably safe to say that they will not be less.

* * *

For the present Bob Gamble of the Epworth No. 1 team has earned the sole right to the title "STRIKEOUT KING." With 15 batters taking the count at his hands last night he outshone by far any other man in the league. How long he can keep this up is a question. To hear a lot of ardent fans talk he will blow up with a bang some of these days. We overheard someone say last night that they would be willing to bet that John Clark would be pitching some one else before the half way mark in the season was reached. Perhaps he will. He wont need anyone as good all the time as Gamble has been thus far this season. If he is half as good he'll be better than average. Now blow up Gamble. Let some one else win some ball games.

Faces Suspension for Failure To Fight

By The Associated Press

CHICAGO, May 14—Joe Anderson, Covington, Ky., middleweight boxer, today faced the possibility of being the first to be suspended in Illinois for failing to go through with a match since boxing became legal in the state in 1927.

Anderson last night refused to fulfill his engagement with Haakon Hansen of Chicago presumably after noting that the crowd numbered about 600 and the gate about $1,700. A meeting of the Illinois State Athletic Commission was called for today to act on Anderson and it was indicated he would be suspended.

TO USE NEW SYSTEM

By The Associated Press

MILWAUKEE, May 14—The Wisconsin state boxing commission has voted to use two judges with the referee to decide the outcome of boxing matches in Milwaukee with the idea of using the system throughout the state if satisfactory. The plan will be tried for the first time Monday night when Earl Mastro, Chicago featherweight, and Jackie Cohen of New York meet in a 10 round bout.

YANKS START FIGHT FOR SIXTH VICTORY IN GOLFING CLASSIC

Have Held Walker Cup Since 1922; Britain's Chances Better This Year.

By The Associated Press

SANDWICH, Eng., May 14—Hoping for their sixth straight victory in the team series, Bobby Jones' American Walker cup golf team begins a two-day battle with Britain's picked amateurs on the Royal St. George's course tomorrow.

Great Britain never has beaten the United States in Walker cup competition inaugurated in 1922 but the Britons' chances this year are considered much brighter than they were, for instance in 1923 when the competition last was played.

The series consists of four two-ball foursomes and eight singles matches; the foursomes will be played tomorrow and the singles on Friday.

Jones has made the following pairings for the foursome:

George Von Elm and George Voigt.

Donald K. Moe and Roland MacKenzie.

Robert T. Jones Jr. and Dr. O. F. Willing.

Harrison R. Johnston and Francis Ouimet.

It is expected that Sir Ernest Holderness and J. A. Stout will pair and that the other British combinations will be William Campbell and T. A. Tarr, Robert Harris and T. A. Torrance, Roger Wethered and Cyril J. H. Tolley.

GIANTS LEAD PACK BY SCANT MARGIN

Philadelphia Athletics Tighten Hold on First Place in American Circuit.

BY HUGH S. FULLERTON JR.
Associated Press Sports Writer

THE National league apparently is headed for one of the closest races in its long history if the results of the first month of play can be taken as an indication of what will happen during the next four. The eight clubs have been playing almost a month now and they are hardly further apart in the standings than they were after the first day or two.

The New York Giants still hold the lead with an average of .636 although they were defeated yesterday by the St. Louis Cardinals but Chicago Cubs are less behind and five other clubs are within striking distance of them. Pittsburgh, the seventh team in today's standing, has an average of .500, the same mark as held by the New York Yankees who are fourth in the American league.

While the Giants were losing a tough struggle to St. Louis yesterday by a 6 to 4 score the Cubs lifted through a big rally to beat out the Boston Braves 9 to 8. Similar results today would leave Chicago only two points behind the Brooklyn Robins and Cincinnati Reds kept idle by rain remain tied for third place with 12 victories and eleven defeats apiece and led the Phillies and St. Louis only by a few percentage points.

Win Seventh in Row

St. Louis ran its string of victories to seven by defeating the Giants [illegible] after some [illegible] Wee Willie Sherdel weakened in the [illegible] inning and [illegible] [illegible] runs. [illegible] Jim Lindsey appeared to hold the New Yorkers while the Cards came through with three [illegible] in the sixth to [illegible] [illegible] the Braves [illegible] [illegible] in the [illegible] [illegible] finally came the eighth [illegible] counter in the home half of the eighth gave Boston its seventh successive defeat.

Philadelphia [illegible] Pittsburgh's Pirates down into the second division with a steady hitting attack that brought a 14 to 8 victory. The Pirates did not get started until the ninth when they scored four runs.

Cleveland Wins 11-6

Cleveland and Washington further [illegible] the fireworks in the American league as the Indians opened a drive to take second place. The first three innings saw all the scoring as Cleveland [illegible] an 11 to 6 score. The Indians made five runs in the first [illegible] [illegible] the third while Washington scored five times in the third before the relief pitchers Harder and Moore stopped the slugging.

The Philadelphia Athletics strengthened their grip on first place by walloping the Chicago White Sox for a 14 to 7 victory. This game also produced two big innings, the A's scoring six runs in the sixth only to have Chicago come back with four in the seventh.

The New York Yankees reached the .500 mark for the first time this year and fashioned their longest winning streak by defeating the St. Louis Browns 4 to 1 behind the pitching of Waite Hoyt. It was New York's fourth straight victory. Art Herring of Detroit and Jack Russell of Boston hurled another close game as Herring kept the Red Sox hits spread over nine innings while the Tigers bunched theirs for a 4 to 3 victory.

WHEAT PRICES IN EARLY SAG

Favorable Weather Reports Cause Reaction at Start Provisions Easy

By The Associated Press

CHICAGO May 14—[illegible] reports [illegible] ab[illegible] and [illegible] favorable weather in the United States and Canada wheat prices underwent an early sag. Immediate need of rain in some parts of Kansas was being emphasized however with little more rain in ten days [illegible] two weeks and a great deal in [illegible] three or four weeks. Opening [illegible] to a shade advance [illegible] were [illegible] all around Corn [illegible] and provisions were [illegible] [illegible] charged [illegible] higher and subsequently declining somewhat.

Bearish reports from Winnipeg received particular attention at times today among wheat traders here. A sample message said no export business was in sight at Winnipeg this morning that the Canadian growers pool is selling wheat for export [illegible] and that nobody could compete. New York also advised that export business overnight appeared to be small and bids being considerably under the market

Downturns in Liverpool closing quotations today on wheat tended further to give an advance to sellers here. On the other hand some Kansas advices said that cool favorable weather had not brought about the crop improvement the ordinarily could be expected from such conditions and that many growers are now looking for much below normal yields as a majority of samples average two-inch heads and they will not lengthen

URGES ACCEPTANCE OF JESUS CHRIST

Calvary Evangelical Evangelist Charges Hypocrisy in Professed Christians

The acceptance of Christ was the theme of the sermon preached by the Rev W O Graves in his evangelistic sermon last night at Calvary Evangelical church. His sermon in part was as follows

If a person who professes Christ does not believe in holiness he is no Christian and is deceived by the [illegible] Isaiah received the Holy Ghost in the temple

[illegible] of every 10 people who profess Christ go to dances [illegible] [illegible] and [illegible] victims of [illegible] [illegible] going over the [illegible] and the [illegible] [illegible]

If [illegible] accept Christ you will not [illegible] all the ways of the world [illegible] happiness is already [illegible] It is time for the people of Marion to awaken and if they don't they are lost

Three persons responded to the altar call at the close of the sermon

PLAINTIFF, THEATER REACH SETTLEMENT

Injunction Suit Over Publix Signs Dropped Before Reaching Court

Injunction suit of Arthur J. Willey and others against the Publix Theater Corp to prevent erection of signs between the plaintiffs' offices and the street has been settled out of court and costs paid according to a journal entry in common pleas court today.

The plaintiffs declared in their petition that the theater had erected signs which shut off the view of the street from their windows in the theater building. The signs also prevented proper ventilation and also constituted a fire hazard they said.

The theater company it is understood will remove the present signs.

COLUMBUS MAN IS ARRESTED BY POLICE

Charge of Issuing Questionable Checks Placed Against Brick Plant Backer.

Plans of William H Stahlhut 40, of Columbus, to promote the erection of a brick factory here took a setback this morning when Stahlhut was placed in city prison on a warrant from Columbus.

Issuance of questionable checks is the charge facing Stahlhut in Columbus courts officers say. He will probably be taken to Columbus today.

Stahlhut is said to have come to this city five or six weeks ago to promote his brick plant plans. The extent of his progress could not be definitely learned.

TWO WILL GET COURT TRIALS

Sentencing of Sauers and Pine Suspended Following Change of Plea.

Sentencing was suspended yesterday by Judge George B. Scobell of common pleas court in the cases of Floyd Sauers and Arthur Pine, charged with burglary and larceny, following the changing of a not guilty plea to that of guilty by Sauers.

Pine had previously pleaded guilty to the charge but his sentence had been postponed until the Sauers case had been finished.

John Persinger, who was indicted last week by the grand jury which also indicted Sauers and Pine, was ordered sent to the Ohio state hospital at Columbus for a 30-day examination. He was charged with burglary of a store.

Only two of the eight indicted by the grand jury will stand trial, it was indicated today. They are Harry and William Tanner, of Richwood, charged with stealing chickens. They are to be tried next week.

RADIO MAKERS NAMED IN SUIT

Government Brings Action To Determine If Monopoly Exists.

By The Associated Press

WASHINGTON, May 14—A suit to determine whether any monopoly in violation of the Sherman anti-trust law is operating in the field of radio equipment manufacture had been filed by the department of justice naming 10 leading manufacturers as defendants.

Validity of the proposed acquisition of manufacturing rights of the Westinghouse and General Electric companies by the Radio Corporation of America through an exchange of stock is basis of the action.

An announcement that the suit had been filed in Wilmington, Dela., was made late yesterday by the justice department. The defendants, in addition to the three already mentioned, were listed as the American Telephone & Telegraph Co., the Western Electric Co., the R. C. A. Photophone Co., the R. C. A. Radiotron Co., the R. C. A.-Victor Co., the General Motors Radio Corporation and the General Motors Corporation.

No Competition, Is Assertion

The government in its petition alleged that through "a novel method of cross licensing patents," the defendants "have created a combination or exchange of stock through which they exercise joint control over the radio industry and that competition among them has ceased, and that no outsider can obtain a license except on terms jointly prescribed by the chief defendants."

Although the suit was concerned chiefly with the legality of the patent licensing arrangement, the government also charged that the proposed R. C. A.-Westinghouse-General Electric combination would have the effect of "perpetuating the control already obtained by the defendants."

Owen D. Young, chairman of the executive committee of the Radio Corporation last night issued a statement saying that his organization welcomes the suit. He explained that the company was organized in 1919 at a time when radio patents were so distributed that no one company had the licenses necessary for the development of the industry. Each patentholder, he said, could block the efforts of the others.

Explains Operations

The Radio Corporation, he continued, was established to group enough patents in one concern to make possible the creation of sending stations and the manufacture of receiving sets. Licenses to make sets, he added, have been issued to 31 companies, while 14 have been given licenses for the manufacture of radio tubes. He asserted that competition among these concerns was "severe."

The Radio Protective association last night issued a statement terming the suit "the biggest anti-trust proceeding ever begun by the government." It should result, the statement said, in "the end of the reign of terror by which the Radio Corporation and its affiliated companies have sought to monopolize the radio art."

SAYS FLEMING WILL GO TO HIGH COURT

Former Cleveland Councilman To File Another Appeal, Wife Asserts.

By The Associated Press

CLEVELAND, O., May 14—Thomas W. Fleming, colored, former Cleveland councilman, who lost his appeal to the state supreme court against a 33-month sentence to Ohio penitentiary for bribery, plans to carry his fight to the federal supreme court, his wife, Mrs. Lethia C. Fleming, declared today.

Deputy sheriffs armed with the supreme court mandate calling for immediate incarceration were unable to locate him today. Mrs. Fleming said he was not eluding arrest, but is on his way home from a trip to Montreal, and is expected tomorrow.

The arrest capias was issued last night when Assistant Prosecutor Hertz returned from Columbus with a certified copy of the mandate issued by the state supreme court after turning down Fleming's final appeal yesterday. Deputies began their search for the former councilman at once.

Fleming's last plea to the supreme court asked reopening of the case on the ground that five of the jurymen which convicted him were members of the Ku Klux Klan. He was found guilty of accepting a $200 bribe from Walter Ochme, crippled ex-policeman, to further legislation paying for injuries Ochme received in the line of duty. Ochme died since the trial.

POLICE SQUADS HALT RIOT AT UNIVERSITY

300 Chicago Students Stage Protest Against "Snooper" System.

CHICAGO, May 14—Order was restored on the University of Chicago campus today after 300 inflamed students last night engaged in a riot that was broken up when police squads charged them, shooting in the air.

Four students were arrested in the melee with the police. They were later released. Seven fire companies were called to extinguish a huge bonfire which the rioters built in the center of the campus with timbers taken from a university building under construction. Firemen turned their high pressure streams on the students to help disperse them.

During the rioting the students roamed through the university grounds, smashing all arc lights and searching for nine recently appointed watchmen.

The demonstration was in protest of the so-called "snooper" system the university has been utilizing to supervise behavior. The watchmen have been halting students at night and searching them for hip-flasks, it was claimed.

FILIBUSTER THREAT FACED BY SENATE

Report All-Summer Session Likely To Settle Harbors Bill Controversy.

WASHINGTON, May 14—Threats of a filibuster in the senate against the $110,535,027 house rivers and harbors bill were encountered today with warnings that the house would keep congress in session this summer until the controversial measure is enacted.

Representative Tilson, of Connecticut, the Republican leader in the house, conceded that the report a move to keep congress going until the bill "is a very reasonable conjecture."

Senator Vandenberg, Republican, of Michigan, who is fighting a provision for the federal government to take over the Erie canal in New York state, reiterated that there would be "some long talking in the senate" before this Christmas tree bill" got through.

Senator Copeland, New York Democrat, and one of the leading proponents of the Erie canal provision, replied that he too is ready to filibuster unless the bill retains that provision.

The bill is now under consideration by the senate commerce committee, which must reach a decision on the row over the Erie canal—and on two other major issues, including a house provision for federal operation of the Illinois waterway, and several provisions for great lakes developments.

Confronted with threat of an all-summer session, senate foes of the bill are standing their ground but there are indications of an early move looking toward a solution of the deadlock.
